## Premier Fitness Classes-Small Group Training-Led by a Personal Trainer

**EXTREME CIRCUIT** This class is not your average circuit class. Our motivating personal trainers will lead you through a variety of timed stations including heavy ropes, cardio drills, and functional fitness to keep you moving at your maximum effort. Burn calories, get strong and never get bored.

**EXTREME STRENGTH** Take your strength to the extreme in this class led by one of our personal trainers who tracks your progress to maximize gains. This total body, mixed resistance class is for anyone who needs more assistance than an instructor led class or needs help reaching a fitness goal. A variety of equipment will be used.

**HOOD CORE CONDITIONING** **ALL NEW!!!** Core strength and conditioning—a progressive, 3 phase, personal training program developed exclusively by YMCA Fitness Director, George Hood, a 10x World Record holder and current record holder of the “Plank”. His signature “Timed Rep Infusion Process” (TRIP) over a 6 week, 12 session “total body” program will strengthen your core and improve appearance so dramatically that holding a plank for a full hour is attainable within 6 months provided all phases are completed\*. All fitness levels are welcome. \*Two (2) sessions are required to reach goals stated.

**ACTIVE OLDER ADULTS FUNCTIONAL FITNESS (AOA FF)** – Improve your muscular endurance as well as balance and coordination by moving through all planes of motion with multi-joint and compound exercises.

**AOA STRETCH (AOA S)** - Improve your range of motion, increase circulation, and calm your mind.

**BODYPUMP™** – Les Mills Body Pump™ is a choreographed weight workout using barbells and adjustable weights to sculpt every major muscle group. A high-level workout for moderate to advanced levels.

**FIT FUSION** – Combine high intensity cardio intervals with low intensity metabolism building strength exercises. Finish the class with core work and simple stretching for a well-rounded workout.

**LOWER BODY FOCUS** – Focus on the largest muscles in your body, thighs, hamstrings, calves, and glutes to strengthen, sculpt and develop great looking legs, increase your metabolism, burn more calories, increase lean body mass and achieve a more powerful base of support..

**INDOOR CYCLING** – Instructors lead you through an exhilarating ride designed to improve overall fitness while increasing performance with focus on endurance, strength, interval and all-terrain training.. A WATER BOTTLE is a necessity. (Reserve a bike 24 hours in advance at the Membership Desk.)

**INDOOR CYCLE HIIT** – 30 minute high interval training uniquely done on a spin bike. This workout takes you to the next fitness level with minimal joint impact

**PILATES** – Mat Pilates is the floor work version of the Pilates method and uses your body weight as the source of resistance. Focus is placed on precise movements of core muscles to improve strength, stability, posture, balance and flexibility.

**PILATES FUSION** – Offers a fusion of Pilates style movements to shape and tone your entire body; while bringing together challenging combinations of strength, agility, balance and flexibility for all levels of fitness.

**PIYO** – Sweat, stretch, and strengthen in one low-impact, body-sculpting workout. PiYo cranks up the intensity and speed of traditional Pilates and yoga to help you shape sleek arms, flat abs, and toned legs—no equipment needed.

**STEP N2 THE 80'S**—Step up your cardio endurance while following along to high energy choreographed moves set to great music. Not your typical step class, but an 80’s retro party. Dust off your leotard and legwarmers, and get ready for a RAD workout.

**SILVER SNEAKERS CLASSIC®** – Have fun and move through a variety of exercises designed to increase strength, range of motion and activities for daily living. Hand-held weights, elastic tubing and a SilverSneakers® ball are used. Chairs are available if needed for seated or standing support.

**UPPER BODY FOCUS**—Get a strong sculpted core, chest, back and arms in this specialized strength class that will focus on your upper half.

**TURBO KICK®** – Turbo Kicks® is a fast paced, fat-blasting, ab-defining cardio workout that is a choreographed mix of kickboxing and hip-hop dance moves set to heart pounding music that will have you looking forward to your NEXT WORKOUT!

**HATHA YOGA** – Yoga is a great compliment to any fitness routine as it promotes relaxation, increases strength and improves flexibility. This class is suitable for all fitness levels and no experience is necessary.

**ZUMBA** – Exercise, dance and have loads of fun in this class while you move to the music. Groove to hypnotic Latin and international rhythms. A calorie burning dance routine set to music.
